I. PURPOSE

The Performance Evaluation System (PES) is a tool used to measure individual performance and to develop employees into high-performing individuals. As such, the Office of the Lieutenant Governor (OLG) and Department of Culture, Recreation and Tourism (DCRT) are committed to utilizing the PES process to meaningfully communicate with employees while adhering to the requirements imposed by Chapter 10 of the Civil Service Rules.

II. APPLICABILITY

This policy applies to all OLG/DCRT classified employees, excluding those serving as a classified WAE, as well as the immediate and second-line supervisors thereof.

III. DEFINITIONS

Performance evaluation – an assessment of an employee’s overall performance based on work tasks and behavior standards, resulting in the assignment of one of three values:

- *Exceptional* – Work behavior consistently exceeded the performance criteria;
- *Successful* – Work and behavior met the performance criteria;
- *Needs Improvement / Unsuccessful* – Work and/or behavior did not meet the performance criteria.

Performance evaluation year – the time period on which an employee is evaluated; July 1 through June 30 of each year.

Performance evaluation period – the time frame in which an evaluating supervisor has to prepare/sign a performance evaluation, have it approved/signed by the second-level evaluator, and review the evaluation with the employee; Civil Service Rules define this period as July 1 through August 31 following the evaluation year that just ended. However, in accordance with this policy, it is required that performance evaluations be submitted to the Human Resources Division no later than **August 15**.

Performance plan – a list of work tasks and behavior standards on which an employee’s overall performance will be evaluated.

Performance planning period – the time frame in which an evaluating supervisor has to prepare a performance plan, have it approved/signed by the second-level evaluator, and review the plan with the employee; Civil Service Rules define this period as July 1 through September 30 following the evaluation year that just ended. However, in accordance with this policy, it is required that performance plans be submitted to the Human Resources Division no later than **September 15**.

Evaluating Supervisor – the immediate supervisor of the employee, as determined by the official position description on file in the Human Resources Division, who is responsible for preparing the performance plan and performance evaluation.

Second-level Evaluator – the manager (or second-line supervisor) of the employee, as determined by the official position description on file in the Human Resources Division, who is responsible for approving/signing the performance plan and performance evaluation prior to the evaluating supervisor’s issuance to the employee.

IV. PERFORMANCE PLAN

Between July 1 and September 15, the evaluating supervisor must determine what the performance expectations will be for each of his/her assigned employees for the Fiscal Year that has just begun. The performance plan process is as follows:

- a. The Evaluating Supervisor prepares the performance plan using the *Performance Evaluation System – Planning and Evaluation form*;
- b. The Evaluating Supervisor shall sign the form under Step #1 of page 1 and indicate the date that he/she provided the performance plan to the Second-level Evaluator;
- c. If approved, the Second-level Evaluator signs the form under Step #2 of page 1, dates his/her approval of the performance plan, and returns it to the Evaluating Supervisor;
- d. The Evaluating Supervisor conducts a performance planning session with the employee;
- e. During the planning session, the Evaluating Supervisor shall present the form to the employee and discuss the Work and Behavior standards on which he/she will be evaluated;
- f. The employee signs and dates under Step #3 of page 1 of the performance plan; and
- g. The Evaluating Supervisor shall provide the employee with a copy of the completed form.

In addition to the beginning of each Fiscal Year, performance planning sessions are required to be conducted during the first three (3) calendar months following:

1. The appointment of a new employee; or
2. The permanent movement of an employee into a position having a different position number with significantly different duties.

Performance planning sessions may also be conducted throughout the performance evaluation year as expectations change or as deemed appropriate by the Evaluating Supervisor and Second-level Evaluator. To update the performance plan, the Evaluating Supervisor must attach the revised expectations to the original page 1 of the planning document, and both the employee and Evaluating Supervisor must initial and date page 1 under the “Updated Planning Sessions” section. A copy of the updated planning session must be provided to the Human Resources Division within five (5) business days thereafter.

V. PERFORMANCE EVALUATION

Between July 1 and August 15, the evaluating supervisor must determine what the overall performance has been for each of his/her assigned employees for the Fiscal Year that has just ended. The performance evaluation, which is recorded with an effective date of July 1, is based on the work and behavior standards that were set during the most recent performance planning session. The performance evaluation process is as follows:

- a. The Evaluating Supervisor prepares a performance evaluation using the *Performance Evaluation System – Planning and Evaluation form*, to include marking an Overall Evaluation rating on page 2 and inserting any comments deemed appropriate in the Documentation/Comments section of the form;
- b. If the Evaluating Supervisor deems it necessary, he/she may also attach documentation to support the overall rating being given. NOTE: As long as the supervisor has included comments comprehensive of the employee’s work and behavior, the attachment of documentation is not required.
- c. The Evaluating Supervisor shall sign the form under Step #1 of page 2 and indicate the date that he/she provided the performance evaluation to the Second-level Evaluator;
- d. If approved, the Second-level Evaluator signs the form under Step #2 of page 2, dates his/her approval of the performance, and returns it to the Evaluating Supervisor;
- e. The Evaluating Supervisor discusses the evaluation with the employee;
- f. The employee signs and dates under Step #3 of page 2 of the performance evaluation; and
- g. The Evaluating Supervisor shall provide the employee with a copy of the completed form with his official overall evaluation noted.

Not Evaluated: In accordance with the following circumstances, an Evaluating Supervisor may elect to assign an employee an overall “Not Evaluated” when:

1. The employee is active as of June 30th, the end of the performance evaluation year; and
2. The employee has worked less than three (3) months at the evaluating agency within the performance evaluation year; and
3. The Appointing Authority determines that not enough time has elapsed to create an evaluation for the employee.

An overall “Not Evaluated” has the same effect as an evaluation of “Successful.”

Unrated: **OLG/DCRT is committed to having a 0.0% Unrated rate.** As a result, an Evaluating Supervisor and/or Second-level Evaluator who fails to comply with the PES requirements resulting in an Unrated evaluation will be subject to corrective action for failure to adhere to Department policy.

The following are the circumstances in which an employee must be evaluated as “Unrated:”

1. When the performance evaluation is rendered in violation of the Chapter 10 Civil Service Rules (such as conducting the evaluation after the applicable deadline), or
2. An employee fails to receive a performance evaluation at all.

Evaluations of “Unrated” must be indicated on the performance evaluation form, and the employee must be notified of such. An “Unrated” evaluation has the same effect as an evaluation of “Successful.”

VI. SIGNATURE ISSUES

A. Sequencing of Signatures

The Evaluating Supervisor must sign and date on or before the Second-level Evaluator. The date of the Second-level Evaluator must be on or before the date of the employee’s signature. The employee must sign and date on the day the planning and/or evaluation was conducted.

B. Employee Refusal to Sign

If an employee declines to sign a PES Planning and Evaluation form (whether it be for a performance plan or performance evaluation), the Evaluating Supervisor shall note this on the form and record the date that the planning or evaluation session occurred. An employee cannot prevent the planning or evaluation from becoming official by refusing to sign the form.

C. Employee Unavailable to Sign

When an employee is unavailable to sign a PES Planning and Evaluation form (whether it be for a performance plan or performance evaluation), the Evaluating Supervisor must mail the form to the employee's most recent address. In accordance with this policy, the form must be mailed on or before the deadline (for performance plan, 9/15; for performance evaluation, 8/15), as evidenced by an official proof of mailing receipt from the U.S. Post Office. This receipt must be attached to the PES form that is submitted to the Human Resources Division for the employee's personnel file.
